

SUPER FORGED HANDLE AND GOLD MEDAL WINNING EOLLA BOWS

Yamaha bows have struck Olympic Gold again in 1996 with Korea's Kyung-Wook Kim winning the Ladies individual competition. This is added to Golds at Moscow, Seoul and Los Angeles Olympics. Yamaha have an enviable record in top competitions.

Handles available

Super Forged in short right hand only. Released summer 1996. Includes unique vibration damping limb pockets, a selection of clicker plates and Eolla Grip. A winner in beautiful colours, Black, Silver, Blue or Red – as picture to left.

Eolla Magnesium in long and short right hand plus short left hand. The Double Olympic Medal winning handle in a range of colours and sizes.

Please note: these handles have metric threads for stabilisers, sight and clicker.

Limbs Available

Superfeel range: Super Ceramic Carbon and Superfeel Type G.

Released in 1996, these are available over a wide range of sizes and weights. See Chart. Features include unique limb aligning pivot pins and power recurve string grooves.

Eolla Range in Ceramic Carbon, Carbon Graphite or Lamina Glass. The forerunners of the Superfeel. See Chart for sizes.
